Foreword

Utilizing affirmations and some tools is a way to restrict criticism of yourself and other people. Affirmations help you in training your brain to be more about final results and to a lesser extent about quibbling. How we talk to ourselves really does regulate the type of energy we vibrate and what that draws into our life experiences.

I share these ideas with you so that we can take more responsibility and power in making changes in our life, our bodies, our business and our families.
