Every effort has been made to be accurate in this publication. The publisher does not assume any responsibility for errors, omissions or contrary interpretation. We do our best to provide the best information on the subject, but just reading it does not guarantee success. You will need to apply every step of the process in order to get the results you are looking for.

This publication is not intended for use as a source of any legal, medical or accounting advice. The information contained in this guide may be subject to laws in the United States and other jurisdictions. We suggest carefully reading the necessary terms of the services/products used before applying it to any activity which is, or may be, regulated. We do not assume any responsibility for what you choose to do with this information. Use your own judgment.

Any perceived slight of specific people or organizations, and any resemblance to characters living, dead or otherwise, real or fictitious, is purely unintentional.

Some examples of past results are used in this publication; they are intended to be for example purposes only and do not guarantee you will get the same results. Your results may differ from ours. Your results from the use of this information will depend on you, your skills and effort, and other different unpredictable factors.

It is important for you to clearly understand that all marketing activities carry the possibility of loss of investment for testing purposes. Use this information wisely and at your own risk.
